

ENCORE PRODUCTIONS EXCLUSIVES

RIGGING

All rig point and labor charges for rigging will be the responsibility of the Production or AV Company or Meeting Group needing these services. Our riggers work in teams of 3: 2 high riggers and 1 ground rigger. High riggers provide their own fall protection, especially when climbing into the ceiling. An Encore Productions Rigging Supervisor may be required during the installation of any and all rigging/assembly functions this is in addition to the team of 3. If required the Rigging Supervisor will be in the room until everything is to final trim height. There is a rig point charge of \$100.00 per load bearing point "this includes picks" additional charges may apply see production guidelines for further detail.

HOUSE AUDIO SYSTEM

Outside vendors are not allowed to plug into house sound this is an Encore exclusive

AV EQUIPMENT IN SLEEPING ROOM TOWERS

Audiovisual equipment to be used in any part of the Facility's sleeping room towers must be delivered, set-up and operated by Encore Productions personnel. The Production or AV Company or Meeting Group is responsible for labor costs that may result.

BANNERS AND SIGNS

All banners and signs attached to the Facility must be installed and removed by Encore Productions. The Production or AV Company or Meeting Group is responsible for labor costs that may result. See Production Guidelines for further details.
